SUBJECT: Weekly Activities Report

## A. SIGNIFICANT ITEMS

None to report.

## B. OTHER ACTIVITIES

1. The area staff is playing host to the Inter-Agency Area Roundtable this Thursday. The topic of the meeting is the proposed establishment of an "Area Training Materials Center" at the Foreign Service Institute.

2. A tentative request for a brief area course on the 25X1A Middle East, Africa and Southeast Asia has been received from Biographic Register for the benefit of 25X1A approximately 15 analysts. Is my reaction to this situation attributable to an exaggerated feeling of importance of my subject? Or do others in O/TR feel that too 25X1A many of our people going overseas lack adequate historical understanding of the U. S. in the modern world?

4. was personally invited by the Chairman of the Senate Committee on the Judiciary and the Internal Security Subcommittee to participate in a nation-wide Symposium on anti-Communism education below the expert level. The aim is primarily to develop an alert and well-informed citizenry adequately equipped to meet the problems of the Sino-Soviet
